Christmas Matching Game & Score Sheet

Wishing you all a Merry Christmas
& a Happy New Year

Strictly Christmas Special 2021

This resource has been made to support the Strictly Come Dancing Christmas Special.

You may already know which professional dancer each celebrity is dancing with, we thought it would be a fun matching activity to cut out, match and glue either before or during the show - you choice!

Once matched the sheet can be used to capture the judges total score and mark who is crowned the Strictly Christmas Winners 2021

Have fun!
